

THE END GAME OR A NEW GAME – WHAT DOES THIS ALL MEAN FOR TOBACCO CONTROL?

Ken Warner

University of Michigan School of Public Health

Prepared for the UCSF Triangulum, San Francisco,
May 26, 2016

Recent decreases in adult cigarette smoking

	Adults (>17 y.o.) (NHIS)	
Year	Current smoker (%)	Change from last year (%)
2005	20.9	0
2006	20.8	-0.5
2007	19.7	-5.3
2008	20.5	+4.1
2009	20.6	+0.5
2010	19.4	-5.8
2011	18.9	-2.6
2012	18.0	-4.8
2013	17.8	-1.1
2014	16.8	-5.6
2015	15.1	-10.1

Cigarette smoking prevalence, CO, WA, US, 2012-14

	2012	2013	2014	Change 2012-14	Change 2013-14
CO	19.2%	17.7%	15.7%	-18.2%	-11.3%
WA	17.2%	16.1%	15.3%	-11.1%	-5.0%
US	19.6%	19.0%	18.1%	-7.7%	-4.7%

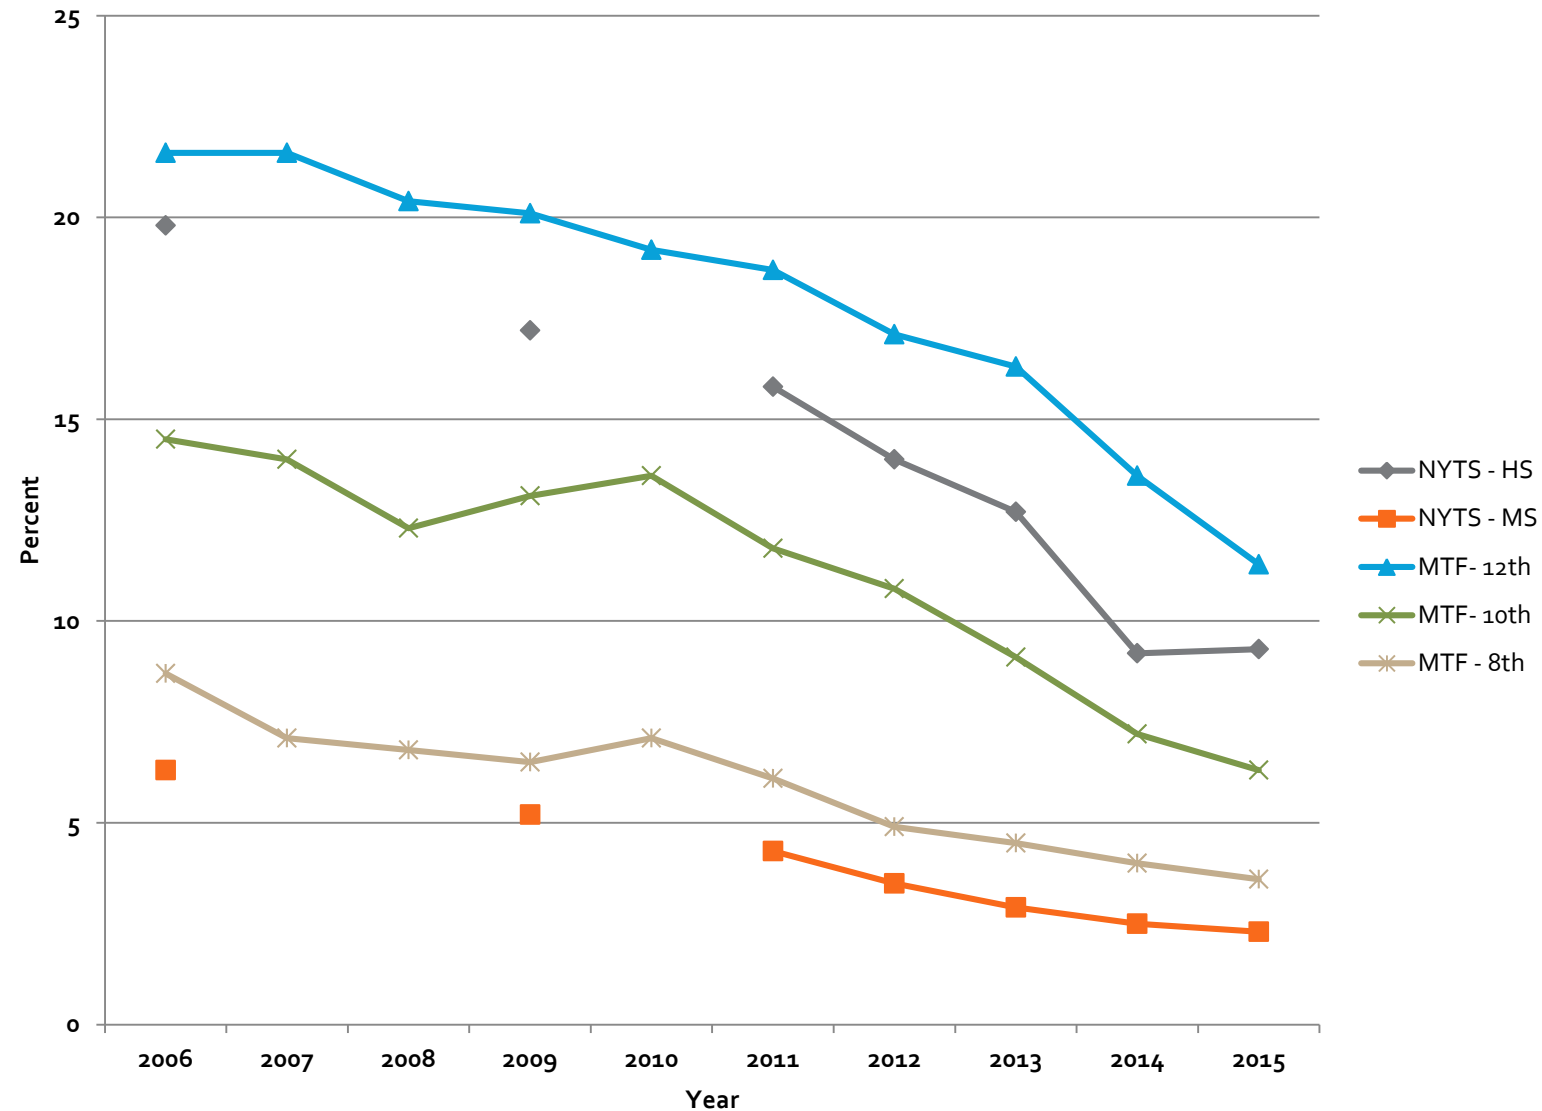

Legalization of recreational marijuana adopted in CO and WA in Nov. 2012. Retail sale started January 2014 in CO and July 2014 in WA.
