

# To Upload Assurances

Grantees and PI Assistants can upload assurances and other deliverables after the grant has been advanced to Prefunding Review.

The screenshot shows a web application interface. At the top, there is a blue navigation bar with links for 'Home', 'Available Funding Opportunities', and 'Historical Applications'. Below this, a breadcrumb trail indicates the current page is '1 of 4' and shows the path: 'TITLE PAGE > APPLICANT / PRINCIPAL INVESTIGATOR > PROJECT INFORMATION > INSTITUTION CONTACTS > BUDGET > ASSURANCES > DOCUMENTS'. The main content area is titled 'T30FT0824 Multilayer investigation of resistance mechanisms to WEE1 inhibito...'. There are two main sections: 'Animal Use' and 'Human Subjects'. The 'Animal Use' section is expanded, showing a 'Yes' response and a button to 'Enter IACUC Details'. Below this is a table with the following columns: 'Assurance Status', 'IACUC Approval Date', 'IACUC Expiration Date', 'Assurance Number', 'Upload Documents', and 'Assurance Upload'. The table contains one row with the following data: 'Pending', (empty), (empty), 'A3213-01', and a button labeled 'Upload'. The 'ASSURANCES' tab and the 'Upload' button are highlighted with red boxes. The 'Human Subjects' section is collapsed, showing a 'No' response.

Click the “Upload” button to open the file select window. Click the folder icon to navigate to the document on the local computer. Select the file, then click “upload”.

The screenshot shows a modal window titled 'IACUC Approval'. It contains a 'Select File:' label followed by a file selection input field. Below the input field, it states 'Maximum file size: 2 GB'. To the right of the input field is a folder icon button, which is highlighted with a red box. A green callout box next to it says 'Click the folder to navigate to the document on your computer.' Below the input field is an 'Upload' button, also highlighted with a red box. A second green callout box next to it says 'Then click Upload'.
